

\_\_\_\_\_

List items needing work with your own low and high estimates from contractor quotes; totals calculate automatically.

[illegible]

| Area  | Item | Priority | Low estimate | High estimate | Midpoint | Contractor | Status |
|-------|------|----------|--------------|---------------|----------|------------|--------|
|       |      |          |              |               |          |            |        |
|       |      |          |              |               |          |            |        |
|       |      |          |              |               |          |            |        |
|       |      |          |              |               |          |            |        |
|       |      |          |              |               |          |            |        |
|       |      |          |              |               |          |            |        |
|       |      |          |              |               |          |            |        |
|       |      |          |              |               |          |            |        |
|       |      |          |              |               |          |            |        |
|       |      |          |              |               |          |            |        |
|       |      |          |              |               |          |            |        |
|       |      |          |              |               |          |            |        |
|       |      |          |              |               |          |            |        |
|       |      |          |              |               |          |            |        |
|       |      |          |              |               |          |            |        |
|       |      |          |              |               |          |            |        |
| Total |      |          | 150          | 400           | 275      |            |        |
